Good Afternoon

I want to thank everyone for their willingness to meet next week to discuss how we can enhance local services for our area veterans

I have had some very good conversations the past couple of weeks with the VA and our local Congressional offices and believe we are in a good place to have some excellent conversation

Our day is planned for us to meet at Culpeper Baptist Church, 318 S. West Street Culpeper, VA 22701 from 10-2

Lunch will be provided

I know several of you are bringing extra guests, to allow for proper planning for lunch please confirm and number of guests you are bringing

Also if you have any specific needs so we can be sure that is taken care of

Our basic agenda will be:

- Introductions and roles
- Discussion and consensus on group desired outcome goals
- Identification of current resources/ champions and assets
- Identification of action items and strategies

I appreciate our VA partners bringing in additional members of their teams to help us with this

I look forward to seeing everyone next week

Thank you for your commitment to this.

Jim
