## 2024 Virginia Young Adult Survey (YAS)

Valid January 16 through April 15

### Are you 18-25 years old? Do you live in Virginia?

If you answered, “yes” to both of these questions, then we welcome you to share ***your experiences and opinions*** on substance use and mental health in our communities. Your responses will assist us in developing health and wellness programming to better meet the needs of young adults throughout Virginia.

The Virginia Young Adult Survey (YAS) was developed in partnership with Virginia’s Office of Behavioral Health and Wellness (OBHW) at the Department of Behavioral Health and Developmental Services (DBHDS) and their partner, OMNI Institute, a nonprofit organization working with Community Service Boards (CSBs) as well as coalitions throughout Virginia. Encompass Community Supports (formerly known as Rappahannock-Rapidan Community Services) is partnering in the distribution of this survey to residents of Culpeper, Fauquier, Madison, Orange and Rappahannock counties.
