The S.E.E. Recovery Center

Encompass Community Supports is providing immediate access to recovery services and enhancing the continuum of care to our community with the S.E.E. (Support, Encourage, Empower) Recovery Center in the heart of Culpeper, Virginia.

The concept of the Support Encourage Empower or S.E.E. Recovery Center stems from Thomas Pratt, Certified Peer Recovery Specialist, DBHDS Certified Trainer, Navy Veteran, developer of the Veteran X Peer led Mental Health Recovery program, and Orange County Resident. During Tom's trainings, he inspires future Peer Recovery Specialists with the idea that peers can SEE others recovery through support, encouragement, and empowering individuals on their path to discover, maintain, and strengthen their recovery.

The S.E.E. Recovery Center offers an array of recovery-oriented groups, meetings, and the opportunity to speak with someone about mental health or substance use recovery. A staff member will be available from 8 am to 9 pm Monday through Friday to assist with attending appropriate groups or other services.
