

Empower Your Treatment: Personalized Behavioral Health Services

We offer a range of outpatient services designed to empower individuals facing mental health/substance use challenges. Our focus is on your strengths and your journey towards treatment.

What we provide:

- Comprehensive Evaluations: We begin with a thorough assessment to understand your unique needs and develop a plan-of-care.
- Individualized Treatment Plans: No standard treatment plans. Your treatment plan will be personalized and tailored to your individual needs.
- Therapy Options: Our experienced clinicians offer both individual and group counseling sessions to address your specific need.
- Medication Management: When appropriate, we offer psychiatric evaluations and medication management services.
- EMDR (Eye Movement Desensitization and Reprocessing) Therapy, when indicated.
- Accessible Care

Convenient Locations:

We offer services at two community clinics located in Culpeper and Fauquier county.

Insurance and Affordability:

We accept most major insurance plans and offer a sliding scale fee program to ensure affordability for everyone. Payment is due at the time services are rendered.

GENERAL THERAPY INFORMATION:

Do you accept insurance?

Encompass Community Supports takes most major insurances. Any questions regarding your coverage, contact your insurance carrier.

Will I have to pay at my visit(s)?

Payment is due at the time of appointment. Non-payment will have your appointment rescheduled.

How long will I need therapy?

Therapy is tailored to the individual's needs. Your clinician will discuss the recommended duration with you.

What if I need medication?

Encompass has limited prescribers on staff. Clinicians and medication providers will work together to determine medication need and management.

Will I get to choose my provider?

You will be assigned a clinician during your intake. Your intake clinician may not be your assigned clinician. If you have any concerns and would like to switch clinicians you will need to contact the clinic manager. It is highly encouraged to discuss any concerns with your clinician to see if they can be resolved.

WHY CHOOSE US?

Our clinic's goal is to provide quality services that empower individuals starting their treatment journey, so they reach their wellness goals.

HOW DO I BEGIN SERVICES?

Contact your closest location to where you live and request an initial "intake evaluation".

*Individuals ages 7-17 must be accompanied by a parent or legal guardian for appointment.

Missed Appointments

We do understand that situations can arise that may prevent you from coming to your scheduled appointment. If you are aware that you will miss your appointment, please call 24 hours in advance. This helps us better serve others in their own treatment journey.

Missed therapy appointment:

You will be unable to meet with your medication provider until you have met with your clinician.

Missed medication appointment:

You will not be able to receive medication refills
